Monitor ERP

Monitor Portal

Monitor Portal is a web-based self-service platform that connects your resellers, service providers, and distributors directly to Monitor ERP.

Monitor ERP

Security level: EXTERNAL

Portal

The Problem

Managing Business Partners is Time-Consuming

- ✖ Repetitive questions
- ✖ Slow order & quotation handling
- ✖ Inefficient service & warranty claims
- ✖ Dependence on office hours

Monitor ERP

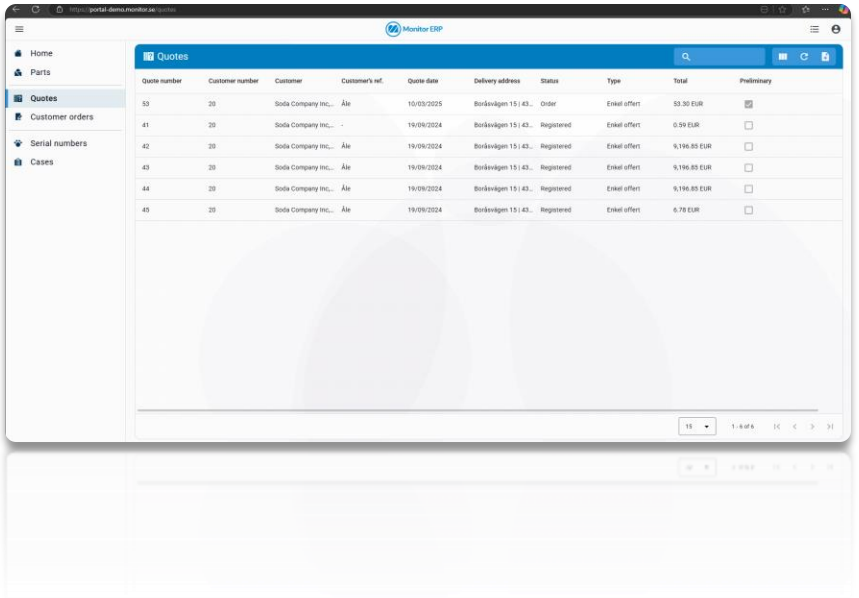
Security level: EXTERNAL

Portal

The Solution

Monitor Portal – A self-service platform

- Live product & stock availability
- Order & Quotation creation
- Service & warranty management
- Seamless Monitor ERP integration



Monitor ERP

Security level: EXTERNAL

Portal

Demo

Let’s see how a reseller may:

- Access real time part data
- Create orders & quotes
- Submit a warranty claim

Monitor ERP

Monitor ERP

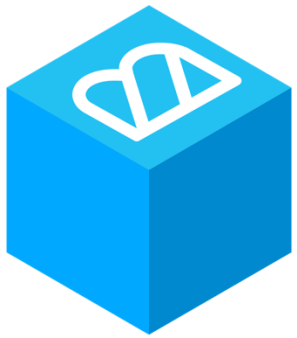
Security level: EXTERNAL

PDM integration

Automate communication between your PDM/PLM system and Monitor ERP, saving time and minimizing errors.



PDM INTEGRATION

Monitor ERP

Security level: EXTERNAL

PDM INTEGRATION

The Problem

Manual work creates errors and delays

- ✖ Design updated in PDM, but not in Monitor
- ✖ Errors may occur when manually updating BOMs
- ✖ Time-consuming
- ✖ Hard to identify changes and errors

Monitor ERP

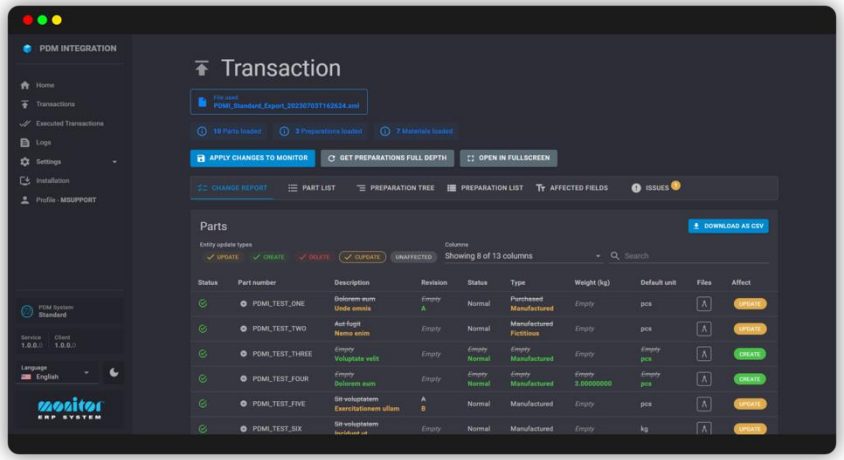
Security level: EXTERNAL

PDM INTEGRATION

The Solution

Right data, right place, right time

- Automatic data sync
- Visaulize changes
- Easy to use
- Reduce double work & errors



Monitor ERP

Security level: EXTERNAL

Demo

Let’s see how the PDMI works:

- See what needs to be reviewed
- Visualization of changes

Monitor Expense

Simplify expense management with Monitor Expense. Snap a photo of receipts with the app, get them approved and ready for recording in Monitor ERP – all digital.

Monitor ERP

Security level: EXTERNAL

The Problem

Expense management is slow & prone to errors

- ✖ Piles of receipts
- ✖ Difficult to overview
- ✖ Receipts are lost
- ✖ Time consuming

Monitor ERP

Security level: EXTERNAL

Machine Integration

The Solution

Go digital – Faster & easier

- Web & App based
- User friendly
- Reduce manual work
- Custom approval flow
